

IMPORTANT MESSAGE TO PARENTS OF NEWBORNS

In the midst of all of the joy and excitement (and sometimes sleepless nights) that accompanies the arrival of a newborn, it is easy to forget to complete the necessary insurance enrollment forms.

Please be sure to contact the Human Resources Department at your workplace (or your broker) to be certain that all paperwork has been completed. THIS MUST BE DONE BEFORE THE BABY IS 30 DAYS OLD! Some carriers will not allow additions after 30 days and will make you wait until the next open enrollment, so we urge you to do this as soon as possible.

If you have any questions about this, please feel free to contact our bookkeeping department.

Thanks and Congratulations!
